About This Game

Project is being developed in cooperation with Discovery.

Welcome to the deep space trip in the Space Mechanic, filled with missions and space stations to repair and exploration at its core.

Space Mechanic is mainly focused around repairing space stations, solars and space shutters. Every machine has hundreds of parts that you can take out and replace. You can explore 3 planets using your landrover and feel like a real astronaut when you look in the sky and see Earth in its whole view. If you lack the parts needed for the repair you can visit a space station with a shop. Beside the mechanic part of the game there is a hangar for managment.

Space Mechanic Simulator is a great experience for people who would like to explore the space, to feel how it is to be an astronaut, and to see the amazing views.

Features:

- 3 planets in the astronauts missions (Mars, Earth, Moon)
- 2 planets in the landrover missions (Mars, Moon)
- repairing bases, hangars
 - 2 space shuttles
 - 3 solars
 - 3 advanced bases
 - making a landrover
- machines that are made out of hundreds of parts (additional 46 unique parts only available in the Space Shop)
- time attack mode (repairing and building machines on time and competing with others)
